Pattern Jug & Bowls—Promarker by Stephanie Wilkinson

This 1-day workshop will enable you to create a rich colourful pattern pen painting from photos, actual objects and imagination. You can bring your own interior image ideas. Stephanie will introduce you to the materials and techniques that she uses to create her own designs with step-by-step instruction and demonstrations. There will be lots of individual encouragement, plus tea and cake to help fuel the creative juices! You will need to **bring Letraset Promarker pens** for use in the workshop and to finish your design at home afterwards. Specialist paper will be provided and is included in the cost of the workshop.

MATERIALS TO BRING: 1 black and 6-12 coloured Letraset Promarker pens, an eraser, a pencil and a 12" ruler. Approx cost £15. Promarker pens are available from many art shops eg. Pullingers in Kingston or online www.pullingers.com. Choose colours in a range of tones—light, medium and dark—according to your taste (eg mixed blues and browns plus black can make strong designs, while rainbow colours can be very jolly!). Don't forget the black one!

Mixed Media Still Life

Saturday 6 December 2014, 10-3.30pm

8 spaces available - Cost: Adult £55, students 12-16 yr £45

Summer Fruits—Mixed Media by Stephanie Wilkinson

Inspired by colourful painters such as Mary Feddon and Matisse you will create your own mixed media painting on paper using line, wash and texture. Materials will include watercolour, acrylic, charcoal, gouache, pen and pastels. Guided by demonstration and examples you will have the chance to experiment with your own compositions and techniques and be encouraged to try all the materials. Feel free to bring your own objects to draw or use The Studio's art book library and imagination to get started. Plenty of encouragement and advice will be given to help you achieve a strong design. Additionally, the offer of free tea and home-made cake will hopefully further enhance the experience!
